Why choose Puyue?

1. Competitive price: Puyue has been cooperating with a large number of automobile manufacturers in China, so we can offer customers a favorable price.
2. Stable supply chain: Puyue has been established a direct and solid collaboration with many electric and gas car factories, which guarantees we can supply electric and gas cars of any brand.
3. Cheap and rapid delivery: Puyue's professional logistic system promises the fastest and cheapest way to deliver.
4. Perfect after-sales service: With the motto of "Quality First, Customers First", Puyue's after-sales service team always treats all customers with sincerity and solves every problem ASAP.
5. One-stop service: Puyue not only provides electric and gas car, but also supplies electric and gas car accessories, marketing plans, 4S shop decoration plans and any other service you may need.

FAQ

Q: Which brand of vehicles we can buy from your company?

A: We provide BYD, Volkswagen, and any other brand you want.

Q: What is your payment terms

A: We accept T/T, Alipay, Western Union, Money Gram and other flexible payment terms.

Q: What's your delivery time?

A: If cars are in stock, the delivery time is within 45 working days after receiving the deposit. If not, it is within 60 working days after receiving the deposit.

Q: What is your shipping method?

A: Transport by sea, by trailer, rail via containers, LCL and RO-RO vessel according to your requirements. Meantime, we also provide the most economical method for you.

Q: What if there are parts damaged, what should I do?

A: Contact our sales team immediately. Each car comes with a one-year warranty. The tech department will solve the problem for you ASAP.

Q: How to place an order?

A: The procedure is like this:

- 1). Contact customer service to determine the freight and product model, configuration, quantity and other detailed information (you can also arrange freight forwarding by yourself);
- 2). We provide you with a proforma invoice according to your final decision, which contains all product details;
- 3). You need to arrange 30% of the payment to our bank account, and then we will prepare the product to start production (the cycle is commonly about 10 days, which can be shipped specifically for your order configuration quantity);
- 4). After the product is completed, the remaining payment is paid, and we arrange forwarder delivery (or we provide relevant

information to arrange forwarder transportation by ourselves);

5). After completing this process, the customer service will track the product location and notify you when it is about to arrive and when it arrives, so that you can quickly prepare for customs clearance and other related issues.

6). After getting the items, there will be a dedicated after-sales team waiting for your follow-up feedback.
